#### 6) Personal Relationship

Your spouse or any other member in your immediate family may be working with a competitor or vendor of Mindtree. This calls for extra-sensitivity to confidentiality of Mindtree's information as there is a possibility that the closeness in relationship could lead to inadvertently compromising Mindtree's interest. You are requested to be aware of the potential conflicts that might arise and inform the People Function accordingly.

Without limiting its discretion to address problematic relationships or situations, Mindtree offers the following guidelines:

During working time and in working areas, employees must keep personal exchanges limited so that others are not distracted or offended, and so that productivity is maintained. During nonworking time, such as lunches, breaks and before and after work periods, employees may have appropriate personal conversations in non-work areas as long as their conversations and behaviors could not be perceived as offensive or uncomfortable to a reasonable person. Employees are strictly prohibited from engaging in conduct that would be deemed inappropriate by a reasonable person while on company premises, regardless of whether they are working at the time.

Mindtree generally considers employee off-duty conduct as private, as long as the conduct does not create problems within the workplace. Exceptions to this principle, however, involve 1) romantic or sexual relationships between supervisors and subordinates (regardless of the reporting structure) or 2) romantic or sexual relationships between any employee in the People Function or Finance departments and any other employee. Both employees involved in a relationship in either of these categories must immediately disclose to Mindtree the existence of a romantic or sexual relationship. Such required disclosure must be made in writing to People Function. People Function will provide an appropriate form upon request. Failure to make this disclosure may result in disciplinary action up to and including termination of employment. This disclosure will enable Mindtree to determine whether, given the relative positions of the individuals involved, action should be taken.

If Mindtree determines that action must be taken, it may ask one or both of the employees to transfer to another position, location, or project. If a transfer proposed by Mindtree is refused, or if Mindtree determines that the situation cannot be adequately addressed by transfer (or if Mindtree determines that transfer otherwise would not be in the best interests of Mindtree), Mindtree may terminate the employment of one or both employees. Mindtree has the sole discretion to determine whether a problem exists and how to address it. Accordingly, Mindtree is not limited to transfer and discipline/termination as its only options.

#### 9) Personal Behaviour

Mindtree expects all Mindtree Minds to be honest and fair in dealing with people, customers, vendors, competitors or others because you are the brand ambassador of Mindtree and your actions help to form others' impressions about Mindtree.

#### 10) Breach of Discipline

As discussed above, Mindtree expects all Mindtree Minds to behave in a professional manner. Listed below are categories of inappropriate conduct that may lead to disciplinary action, up to and including termination of employment from Mindtree (This list is just illustrative and not exhaustive).

"Theft, fraud, forgery, embezzlement, misappropriation; dishonesty, harassment, indecent behavior, sexual advances, suggestive remarks, racial slurs, derogatory remarks/discrimination on - disability, veteran status, national origin, sexual orientation, race, color, religion, political affiliation, sex, or age.
